# MID CITY MERCHANTS: White Light Night

MAGGIE MARSH

Everyone is invited to our FREE celebration of the arts on Friday, November 18th from 6 pm to 10 pm. Visit 48 businesses at our 14th annual Mid City Merchants White Light Night.

Picture yourself among thousands of twinkling tiny white lights among the stately oaks of Mid City, visiting with

artists as you admire their works and enjoying various hors d'oeuvres and beverages. Many businesses will have live music to add an extra element to the festivities. Since each location offers its own special personality and spin on the event, map out your quest to visit as many merchants as possible. To make it easy to hop from one location to another, just step onto one of our free shuttle buses. But remember, just like Cinderella, the shuttles turn into pumpkins at 10 pm.
